Purpose and Effect of the Zoning By-Law Amendment

The subject lands are currently zoned Rural (RU) in the Municipality's Comprehensive Zoning By-law No. B2014-070, as amended. The purpose of the proposed Zoning By-law Amendment is a condition of severance B-79-23 for a lot addition to the benefiting property municipally known as 1062 Galway Rd to legalize an existing driveway accessing the lot. The lands being added to the benefitting lands are zoned "Rural" while the benefitting lands are currently zoned "Rural Residential". To prevent a split-zoned lot, the severed lands are being rezoned to "Rural Residential with an Exception" Zone to recognize lot frontage and size of the resultant lot.

The applicant has submitted the following information and reports, which are available for public review at the municipal office during regular business hours and on the website under the "Current Planning Applications" tab:
