Purpose and Effect of the Zoning By-Law Amendment

The property is currently zoned “Rural (RU) and Environmental Protection (EP)” in the Municipality’s Comprehensive Zoning By-law No. B2014-070, as amended. The purpose of the proposed Zoning By-law Amendment is to rezone a portion of the property from the “Rural (RU)” Zone to the “Rural Residential (RR)” and Environmental Protection (EP) Zones. The amendment is required as a condition of consent (B-153-22 and B-154-22). The Rural Residential Zone will recognize the size of the proposed lots and the Environmental Protection (EP) Zone will protect the recharge area identified on the proposed corner lot on White Valley Road as identified in the Natural Heritage Evaluation Report.

The applicant has submitted the following information and reports, which are available for public review at the municipal office during regular business hours and on the website under the “Current Planning Applications” tab:
